

This is a detailed landscape architectural site plan for a rectangular building complex. The plan includes a north arrow in the top left corner, indicating orientation. A red line delineates the project boundary. The central area is a large lawn with a central circular feature. A curved path runs along the top and right sides of the lawn. The building footprint is shown in the upper right, with a red outline. The plan includes various landscape features such as lawns, paths, and plantings, indicated by different patterns and symbols. The overall layout is symmetrical and well-organized.
